

(a) Healthy

high-water mark: d minus 1

d minus 4: batch

d minus 3: batch

d minus 2: batch

d minus 1: batch

d (today): speed

(b) Batch three days behind

high-water mark: d minus 3

d minus 4: batch

d minus 3: batch

d minus 2: not covered

d minus 1: not covered

d (today): speed

Every date has exactly one owner, so nothing is counted twice.
If the batch falls behind, the gap is reported, not hidden.
